

The Early Childhood Teacher Education Program at Sophia's Hearth

Assistance for completing the VSAC application

Vermont Student Assistance Corporation (VSAC, vsac.org) offers Advancement (non-degree) grants to Vermont residents. Typically, they will award up to \$2500 per year if you meet the financial requirements. We provide information about our program periodically to them. You are eligible to apply each year (theirs start on July 1 and applications can be started in June). We suggest you use the following information to complete your application.
