- With what questions are you presently living in regard to your vocation as a Waldorf early childhood teacher?

The Early Childhood Teacher Education Center at Sophia's Hearth

It is expected that each course participant will be actively engaged with young children as a caregiver, teacher, nanny, volunteer, parent, or grandparent.

Students must have technological ability, own or have access to a computer, and have access to an email account. *Some coursework requires use of a computer, so students must have basic word processing ability to be able to complete all assignments. Communication between the Institute and program students generally takes place via email.*

I certify that all the responses on this application are complete and accurate to the best of my knowledge.

I understand that falsifying any part of this application may result in cancellation of admission and/or enrollment.
